

Escape to the bliss of the island of Honduras, a paradise that is rich in culture and chronicles that began in the early 1500's, when Spanish explorers excavated vast arrays of gold and silver. Your voyage continues in Belize City, founded in 1638 by British lumber harvesters dazzled by precious mahogany found in the region. As you continue to Key West, discover why this small coral island's strategic location has played a major role in the development of Florida, and the United States. From the blue waters of Costa Maya Mexico, to the turquoise seashores of Miami Beach, indulge in this journey of history and enchantment.
