

### **Time to Break Some Ice!**

We've started another season of what we've been doing for 15 years – offering you the unique opportunity to travel to 90° North – the geographic North Pole – now, aboard the world's most powerful icebreaker, *50 Years of Victory*.

### **Start of the North Pole Season aboard the Icebreaker *50 Years of Victory***

Our first voyage of the season is well underway. We'll celebrate with a full day at the pole itself, as well as several days of exploring the amazing scenery and wildlife of Franz Josef Land. Good availability remains on our two 14-day programs next summer:

[June 25 - July 8, 2017](#)

Our North Pole programs now begin in Murmansk, Russia, and include: pre-cruise hotel night in Murmansk; post-cruise hotel night in Moscow; and all transfers in Murmansk. And, it's easy for you to combine this program with visits to St. Petersburg or Moscow, creating an exceptional experience for those who are looking for an even better holiday.
