DAY 01

27 MARCH 2021

Arrival late afternoon at the Indenture Memorial Jetty and board by 1600 hrs. Captain's welcome and safety briefing sets the pace for your sailing. Begin sailing towards Mangaldweep - an island situated on river Hooghly (a part of Ganga) where the wonderful landscapes, pleasant weather, cool breeze just make this place a perfect nest to relax and rejuvenate. This sail is accompanied by sundowners where you admire the setting sun and enjoy some traditional Bengali Baul music on the top deck.

A traditional Bengali and Indian dinner awaits you at our restaurant where you savour the local delicacies that have been curated by our master chef.

Post dinner, from the Top Deck you enjoy a specially curated experience of "Deep Daan" that will captivate your senses and take you on a journey within.

You arrive early morning near the island of Mangaldweep where next few hours are spent appreciating the riverscapes.

DAY 02

28 MARCH 2021

Enjoy the sumptuous breakfast onboard and get ready for a special Holi celebration party.

You revel in the Holi celebrations on this beautiful uninhabited island of Mangaldweep where our crew has carefully set up the stage for Holi celebrations with organic Gulals and Pichkaris. The celebrations with flowers where scented petals of marigold and rose are utilised for playing Holi as Radha and Krishna used to celebrate in Brij. A never before Holi experience where there are some traditional snacks and drinks to lend a flavour to the festivities.

Around noon the ship sets sail to Serampore - a pre-colonial city on the west bank of the Hooghly River. We take you on a guided walk on the promenade of Serampore which was part of Danish India under the name Frederiknagore from 1755 to 1845. On reaching there, walk by the Danish Tavern - a heritage and restored building currently served as a café and lodging, church & other Government buildings.

This evening there is an eclectic live musical band on board which will continue the celebrations while sailing towards Kolkata.

DAY 03

29 MARCH 2021

You reach Kolkata very early in the morning where you can enjoy the sunrise and bask in the morning rays on the top deck. A hearty breakfast has been set up for you where in you you enjoy it at your convenience.

Around noon, you enjoy a culinary experience where our Master chef shares his cooking prowess and you learn the nuances and finer points of cookery by professionals.

DIVINE VARANASI

POST CRUISE EXTENSION **4 DAYS**

A swirl of color and ritual and oddities galore, Varanasi may very well be the most ethereal and exotic place you will ever visit. Considered the holiest spot on India's holiest river, it is also one of the world's oldest cities—as ancient as Babylon and Thebes. It is the goal of every devout Hindu to come here at least once to purify body and soul in the sacred waters of the Ganges. Your visit includes a fascinating tour of this otherworldly and intoxicating city, followed by a private boat ride to observe a Ganga Aarti ceremony. Led by a Hindu priest at sunset, this spellbinding devotional ritual is performed in honor of the goddess of the river, a spectacle you'll remember the rest of your days. You will also have an opportunity to take a boat ride along the river at sunrise, when hundreds of sari- and dhoti-clad Hindus can be observed bathing, washing laundry, performing yoga asanas, and making respectful offerings to Mother Ganga along the broad stone ghats lining the Ganges. Magical and mystical, surreal and deeply spiritual, Varanasi is a city that is truly unlike any other.
