DREAMY NEW PORTS & POSSIBILITIES AWAIT

What will float your boat?

The [Danube River](#) winds and bends through 10 countries to carve a historic path that unites fairytale villages, capital cities, cliffside castles and forested slopes for picture-perfect landscapes as far as the eye can see. And, along this legendary path, we have created a boatload of extraordinary experiences for globetrotters, like you, including new off-the-beaten-path ports of call.

Broadening your possibilities to experience Croatia, Serbia, Romania and Austria, here are four new ports you can dream about until you drift back to the world's waterways.

Surrounded by wine-growing hills, Ilok is the easternmost town in Croatia. Here you will delve into the town's 1,000-year-old wine-making tradition and explore Ilok's cultural heritage, protected by a medieval fortress.

GOLUBAC, SERBIA

Sitting high above the Danube River, just outside the Iron Gates, is the medieval Golubac fortress: One of the best-preserved fortresses in Europe. Here, you will soon be invited to learn about the area's tumultuous history.

HAINBURG, AUSTRIA

This beautiful Austrian village sits 20 miles outside Bratislava and has a strong Habsburg history. Here, you will have the opportunity to experience the area's wetlands, castle and even its strong, Roman past.

CONSTANTA, ROMANIA

An incredible port city on the Black Sea, Constanta offers sweeping views and a seaside getaway. Here, you can soon explore the city's Natural History & Archeological Museum for a glimpse into early Romanian cultures.

Wherever your journey takes you, your dreams are just around the river bend. We are too ... anxiously awaiting the chance to say, "Welcome Aboard." Until that joyous day comes, dream on! We certainly are.
