DESTINATIONS THAT TAKE YOU BACK IN TIME

Heraklion, Crete

Byzantine churches standing next to Venetian mansions and Turkish fountains are testimony to Heraklion's multi-cultured history. Astonishingly, many of the original buildings of the fabulous Minoan Palace of Knossos are still intact. There are also tours to the southern Crete to explore the villages of Aghia Varvara and the typical Cretan coastal town of Aghios Nikolaos.

Alexandria, Egypt's second city.

Alexandria has a rich and eventful history, founded by Alexander the Great. Today it's Egypt's cultural capital, with its blend of European and Middle Eastern influences. Its ancient ruins include the Pharos Lighthouse in the Eastern Harbour and the Roman catacomb burial chambers. The word-famous Bibliotheca is one of the world's treasures.
