

Silversea's luxury Alaska cruises take you on an insider's path along the Inside Passage. There are diamond-blue icebergs, rushing mountain streams, waterfalls and flowers of every colour. Here you'll find the biggest bears, the largest gathering of bald eagles anywhere, and more than half of the world's entire population of humpback whales. Experience Alaska's grandeur up close and in person aboard an intimate Silversea Alaska cruise.

While most cruise ships keep getting bigger and bigger, there is something uniquely satisfying about Silversea's purposely built smaller and medium size ships. The intimacy, the close-knit camaraderie, and the excitement of exploring secluded, rarely seen harbours are where true adventure lies. That is why Silversea Cruises continues to sail against the trends with intimate ships that offer a meaningful and life-enriching travel experience for their guests.
